PART - I

TERMS AND CONDITIONS:

1. The tenderers must get themselves fully acquainted with the area and location of stock yard and godowns vis-à-vis loading/unloading points before submission of Quotations and the rates quoted by them for transportation. Once a tender is submitted, he shall be deemed to have fully acquainted himself, with the area and location vis-à-vis loading, unloading points and he shall not be entitled to any compensation arising out of any discrepancy in size and location of Stock Yard / Godown / loading /unloading points subsequently.
2. In case the rates are quoted in a manner other than that mentioned above, the tenders are liable to be ignored. The tenderers should not incorporate any conditions in the tenders, as conditional tenders will be summarily rejected.
3. Person or Persons attesting the tender shall specify their designation and authority under which they are representing the Firm. In case of partnership firms, the names of all the partners should be disclosed and the tender document shall be signed by all the partners or their duly constituted power of attorney having authority to bind all the partners in all matters pertaining to the contract. An attested and notarized copy of the partnership deed should be furnished along with the tender. In the case of a limited company the names of the Directors shall be mentioned and it shall be certified that the person signing the tender is the authorized signatory and is empowered to do so on behalf of the company. A copy of the Memorandum and Articles of Association of the company shall be attached to the tender. In the case of Hindu undivided family the names of the family members should be disclosed and the "KARTHA" who can bind the firm should sign the form and indicate his status below his signature.
4. The person signing the tender form or any documents forming part of the tender on behalf of a firm shall be responsible to produce a proper power of attorney duly executed in his favour indicating his authority specifying that he has authority to bind such other person or the firm as the case may be, in all matters pertaining to the contract. If the person so signing the tender fails to produce the said power of attorney, his quotation will be summarily rejected without prejudice to rights of the Corporation under the law.

Signature of the Tenderer
With seal & full address
(Authorised Signatory)

The power of attorney should be signed by all the partners in the case of a partnership concern, by the Proprietor in the case of the proprietary concerns and by his signature can bind the company in the case of a Limited Company. In the case of Hindu undivided family the power of attorney should be signed by the KARTHA who by his signature can bind the firm.

5. The rates quoted should be both IN FIGURES AND WORDS inclusive of Loading, weighing, unloading and stacking of the Raw materials at the consignee Destinations anywhere in the State of Karnataka. The raw materials are to be stacked in the manner that will be indicated by the Stores Officer/Officer-in-charge, KSSIDC Ltd.,
6. The rates should be quoted for each Loading and unloading point basis per metric ton as per the slabs detailed in Schedule and shall remain in force during the period of contract. The Diesel/Fuel component of the Freight Rates per MT will be deemed as 25%. The escalation or reduction will be done proportionately for this component only.

The revision of Transportation charges (upward/downward) will be considered once in every six months based on the cumulative increase/decrease in the diesel/fuel prices prevailing on the date of opening tender / quotations. The revision will be considered only if the diesel/fuel prices are increased/decreased by a minimum of Rs. 2/- (Rupees two only) cumulatively in a span of every six months from the date of opening tender.

7. Normally KSSIDC will endeavour to give work order for the Transportation of a minimum Truck/Trailer load i.e 10 MTs. with marginal difference. For materials transported by Trailors, trailer rates will be allowed (paid) for transporting lengthy and wide width materials such as plates of more than 2 meters width and 7 meters length and structural's of more than 7 meters length. For transporting other materials through trailors, i.e. materials that can be transported through trucks, only truck rates will be allowed (paid). In case the tenderer transports any quantity less than the Standard Trailer load of 24 mts, payment will be made on the basis of the actual transported quantity at quoted trailer rates.

- (d). Each tenderer while submitting his tender, shall submit a declaration as to whether he has any relative within the meaning of Section 6 read with Schedule 1-A of the Companies Act 1956 employed in any capacity in the Corporation. In case he has any relative in any capacity in the Corporation, the full name, particulars, position held under the company must be clearly indicated. In case the tender is accepted, the tenderer shall inform the corporation if any relative as defined above joins the company at any time subsequent to the award of the contract and during continuance of the contract.
 - (e) Registration No. under Provident Fund Act 1952, ESI act 1948 as amended from time to time and GST and PAN No. should be mentioned.
 - (f) Registration Number under the shops and Establishment act should be mentioned.
 - (g) The transport contractor is liable to pay the applicable ESI, PF Contribution and other statutory payment for the employees engaged by them wherever applicable.
 - (h) GST registration number to be indicated and copy of GST Registration certificate shall be uploaded.
14. Tenderer should have his office or his agent at any of the places like BENGALURU / HUBBALLI / BELAGAVI with telephone, mobile and Fax Facilities, so as to arrange vehicles in time on demand.
15. KSSIDC reserves the right to assign the Transportation work to more than one transport Agency/Contractor, as well as to entrust Transportation work at any place to any Transporter in the interest of the Consignee/Corporation at the discretion of KSSIDC. Definite volume of work cannot be guaranteed.
16. The successful tenderer should execute an agreement in the prescribed format on a stamped paper of appropriate value within FIFTEEN days from the date of acceptance of tender and should also furnish within FIFTEEN days a security deposit for the value as indicated above in the form of Cash/Bank Guarantee for a period of two and half years from the date of contract. The security deposit will not carry any interest.

Signature of the Tenderer
With seal & full address
(Authorised Signatory)

17. In the event of default to execute the agreement or failure to furnish the required Security deposit, or default to carry out any of the terms and conditions of the contract or failure to carry any transport work assigned or causes inordinate delay in such works, the EMD and SD will be forfeited, provided such of the forfeiture shall not prejudice the right of the KSSIDC to take such other legal action against the transporter for the specific performance of the contract.
- 18(a) The Transporter will ensure that no material will be allowed to be stacked or kept outside the consignee godown premises. Shortage/damages, if any, caused will be fully compensated to KSSIDC by the Transporter.
- (b) KSSIDC is not obliged to provide the Transporter with any Accessories or equipments needed for the transportation and other items of work stated above. The Transporter should himself provide necessary medical treatment to his staff, in case of accidents on duty. The Corporation shall in no manner be liable to the Contractor or any member of his workmen/staff for injury or death caused as a result of accidents either within or outside the yard/godown premises in course of work. The contractor shall be wholly responsible for any damages and will make good all claims of compensation, claimed by his labour or staff under the workmen compensation Act. He shall also indemnify the Corporation and discharge all sums that may be awarded in respect of claims for compensation arising out of or consequent to the accident, injury or death to any staff or labour working under him pursuant to the provisions of the workmen Compensation Act (Viii of 1923 and XV of 1933) or any subsequent amendment thereof. Any expenses incurred in connection with any such claims should be borne by the Contractor and the Corporation always reserves the right to pay in the first instance, such amount of compensation as is payable under the said Act/Court order and to recover the amount so paid from the Contractor by deduction from his bills, security deposit or otherwise. The balance if any will be realized as arrears of land revenue.
19. The Transporter will ensure that in the process of transporting and stacking of the materials in the KSSIDC Godown no damage is caused to any of the equipment's lying in the Godown as well as the property of KSSIDC. In case of any damages caused by the Transporter, to the building or equipment, the cost of damages, as assessed by the Corporation, will be recovered from the Transporter payment bill.

Signature of the Tenderer
With seal & full address
(Authorised Signatory)

20. In the event of any shortages and damages, noticed in the consignments, the value of such shortages and damages will be recovered from the bills of the Contractor.
21. KSSIDC Limited, Bengaluru, does not bind itself to accept the lowest or any other tender and is not bound to assign any reason for its decision either to accept or reject partially or fully and its decision will be final and conclusive in all matters regarding acceptance or otherwise of the tenders.
22. The tenderer shall furnish the latest Income Tax returns filed with the concerned department.
23. The transporter shall arrange for the proper weighment of the materials at his own cost at the loading/un-loading point and shall be responsible for any shortage noticed by the consignee with reference to the weight/counting recorded by the consignee. The weight/counting recorded by the consignee at the loading and destination delivered point shall be final and binding on the transporter and value of shortage if any beyond the allowable limit will be deducted from the transporter.
24. The delivery of the material to the consignee will be on weighment / No. of Sheets / No. of Pieces basis and the material should be intact.
25. The Transporter should arrange for protection of the material during transportation. It would be his responsibility to procure tarpaulins for covering the material and other protective materials required, if any, while loading, transporting and un-loading.
- 26 (a) The parties to the contract are the Transport Contractors and KSSIDC Limited, represented by the Managing Director or any other officer acting on his behalf.
- (b) The person signing the tender or any other document forming part of the tender on behalf of any other person or a firm shall be presumed to have such authority to represent such other person or the firm as the case may be, in such matter pertaining to the contract. If, on enquiry, it is found that the person concerned has no such authority, KSSIDC Ltd., represented through the Managing Director may without prejudice to other civil and criminal remedies terminate the contract and hold the signatory liable for all costs and damages.

(Authorised Signatory)
Signature of the Tenderer
With seal & full address

- (c) Notice or any other action to be taken on behalf of KSSIDC Ltd., will be given/taken either by the Managing Director or any other officer acting on his/her behalf.
- 27(a) The Transport Contractor shall any change in the constitution of the firm, during the currency of the contract, without the prior approval of the Corporation.
- (b) The Transport Contractor shall notify to the Corporation the death/resignation of any of their Partners/Directors immediately on the occurrence of such an event. On receipt of such notice, the corporation shall have the right to review the contract.
28. The Corporation shall deduct at source the Income Tax, and surcharge thereon on and other applicable statutory deductions from the gross amount admitted.
29. The contract will subsist for a period of two years from the date of entering into the contract. During the above period the Corporation will have the option to terminate the contract immediately by giving a notice in writing to the Contractor and on and from the date mentioned in such notice this contract will come to end without prejudice to any claim which the Corporation may have against the Contractor for any breach in non performance of any of the terms of this contract by the Contractor. In the event of the Contractor failing to provide sufficient timely labour or defaulting in any other respect or the work of the contractor being found not satisfactory and in this matter, the decision of the Managing Director shall be final and binding. The Corporation will have the option to terminate this contract by giving to the Contractor 30 days prior notice in writing. In such event the Corporation shall be entitled to have the work done (without any obligation on the part of the Corporation to have the same done) by engaging any additional or substituted contractors and all additional charges and expenses in connection there with shall be recovered by the Corporation from the Contractor and Contractor shall in such event, pay to the Corporation within ten days all such charges and expenses so incurred by Corporation failing which the Corporation shall have the liberty to appropriate charges and expenses are incurred by the Corporation and also immediately after any appropriation is made by the Corporation, the

Signature of the Tenderer
With seal & full address
(Authorised Signatory)

Corporation shall forward to the Contractor a proper statement or statements with regard thereto. In the alternative, the Corporation may get the work done through any other agency and the difference between the expenses incurred by the Corporation in this behalf in getting the work so done and the amount that would have been payable to the Contractor by adjusting with the security deposit wholly or in part.

30. The Contractor whose rates will be accepted will be required to confirm the rates and the terms and conditions by a letter which together with the letter of acceptance issued by the Corporation will form mutates-mutandis part of the agreement for the purpose of the transport contract.
31. The Corporation reserves the right to send tender forms to any individual or organization without assigning any reason.
32. The Contractor shall deliver the goods within the time limit prescribed as below irrespective of orders placed and acknowledged for Transportation of materials. For each days delay after the due date as prescribed the Corporation reserves the right to levy a penalty at Bank rate of interest on the value of the materials entrusted for Transportation.

Sl.No.	Distance	Time Limit for Lifting & Delivery
1	From 0 to 80 KMs	ONE DAY
2	From 0 to 150 KMs	ONE DAY
